

# Le programme UKON DD

# Qu'est ce que le UKON ?

- \* Le UKON est un complément alimentaire à base de Curcuma.
- \* Le Curcuma est une plante herbacée originaire de l'Asie du Sud-Est, très utilisée dans la cuisine et la médecine orientale.
- \* La Curcumine est le principal principe actif présent dans le Curcuma.

# Le Curcuma

Le Curcuma possède des propriétés médicinales reconnues et utilisées dans la **médecine Ayurvédique Indienne, et la médecine chinoise**, principalement pour ses propriétés **anti-inflammatoires et anti-oxydantes**.

# Effets bénéfiques du Curcuma sur l'organisme.

- \* **Antioxydant**
- \* Anti-inflammatoire
- \* **Antiseptique**
- \* Accélère la cicatrisation des plaies.
- \* **Améliore l'élasticité ligamentaire et la souplesse articulaire**
- \* Combat et prévient l'apparition des radicaux libres
- \* **Favorise le bon fonctionnement du système digestif**
- \* Améliore la circulation
- \* **Régule le taux de cholestérol et de sucre dans le sang**
- \* Diminue le risque de formation d'ulcères gastriques, duodénaux et peptiques
- \* **Accélère l'élimination des toxines, en particulier du foie et de l'intestin**
- \* Tonifie et revitalise la peau, aide à combattre l'eczéma, le psoriasis, etc.
- \* **Facilite la digestion des aliments gras et augmente la sécrétion biliaire**
- \* Réduit la production de gaz intestinaux.

# Un fort pouvoir antioxydant

A la différence des autres antioxydants, les curcuminoïdes sont capables de prévenir à la fois la formation de radicaux libres et de neutraliser ceux déjà formés. Ils sont donc considérés comme de puissants bioprotecteurs.

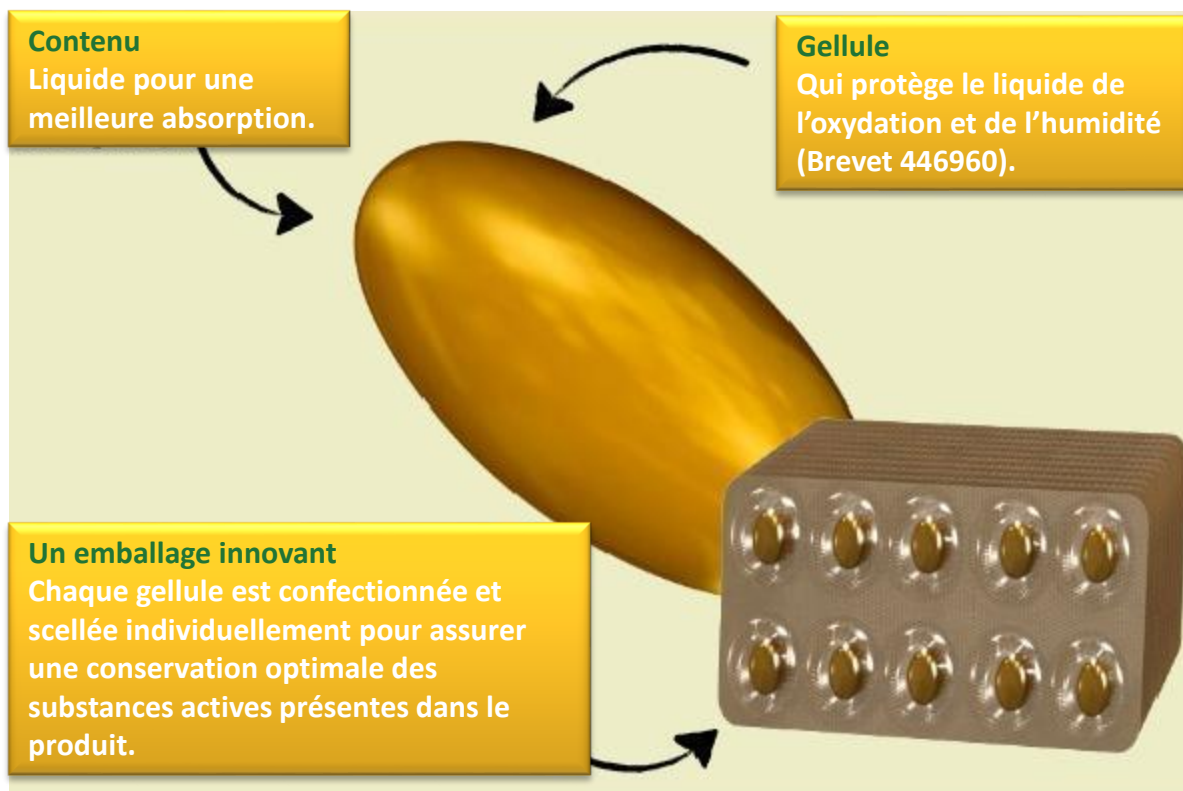

# Qu'est ce qui rend le UKON d'Enagic si spécial ?

- \* Le “terroir” d’Okinawa (climat, sol, ensoleillement...).
- \* Nous utilisons des dérivés de Curcuma sauvage.
- \* Des capsules scellées individuellement et faciles à absorber.
- \* Un opercule breveté qui prévient l’oxydation des composants.
- \* Il est 100% bio, sans aucun additif chimique.
- \* Les ingrédients sont stérilisés à l’eau Kangen pH 2,5 et 11,5.
- \* Contient 2 types de Curcuma :
  1. Curcuma de printemps – Utilisé pour élaborer les huiles essentielles et très riche en minéraux.
  2. Curcuma d’automne – contient un haut taux de curcumine.

# Un système d'emballage breveté

# Ingrédients

| Ingrédients                           | Dosage / gellule |
|---------------------------------------|------------------|
| Vitamine C                            | 5 mg             |
| Vitamine E (tocotriénol)              | 36 IU            |
| Thiamine (Vitamine B1)                | 5 mg             |
| Niacine                               | 5 mg             |
| Riboflavine (Vitamine B2)             | 25 mg            |
| Acide folique                         | 150 mcg          |
| Vitamine B12                          | 50 mg            |
| Curcuma (racine)                      | 600 mg           |
| Huile essentielle de Curcuma (racine) | 50 mg            |
| Huile d'olive                         | 419.8 mg         |
| Huile de périlla                      | 100 mg           |
| Huile de lin (graines)                | 50 mg            |
| Huile d'onagre                        | 50 mg            |

# Kangen Ukon<sup>Σ</sup> Power

Kangen Water<sup>®</sup> soft-gel capsules contain a myriad of fresh nutrients.

## Ukon (Turmeric)

Ukon (commonly known as "Turmeric") is a plant which has been known since the era of the Pythagorean Dynasty and has a strong antioxidant effect. Only 100% organic Ukon cultivated by practicing farmers is used in the product. The Ukon which has a high content of curcumin and the wild Ukon which is abundant in mineral and essential oil components are washed with strong Kangen water, sterilized with strong acid water, and then blended together.<sup>†</sup>

## Olive Oil

Olive oil is composed primarily of oleic acid, a fatty acid that can help maintain LDL (low density lipoprotein) levels that are already within normal limits.<sup>†</sup>

## Perilla Oil

Perilla Oil is composed of 50/50 percent eisenbium acid, an omega-3 fatty acid that can help in maintaining a strong immune system.<sup>†</sup>

## Vitamin C

One of the leading vitamins which promotes antioxidative actions.<sup>†</sup>

## Vitamin B2

One of the vitamins critical to metabolic processes,<sup>†</sup> also known for the maintenance of good health.<sup>†</sup>

## Vitamin B1

This vitamin helps break down carbohydrates into fuel for the body, and is also known for its role in energy metabolism.<sup>†</sup>

## Vitamin B12

Together with folic acid, plays a key role in regulating red blood cell formation.<sup>†</sup>

## Vitamin E

It is a fat-soluble antioxidant that stops the production of reactive oxygen species (free radicals) from fat oxidation.<sup>†</sup>

Abnormal fermentation in the colon

Bacteria, Virus

Cigarettes

Radio waves

Ultra-violet rays

Stress

Alcohol

Exhaust fumes

Leading factors producing free radicals

The world's first Kangen Water<sup>®</sup> soft-gel

Content: Liquid form for easy absorption

Innovative packaging technology is incorporated to repel moisture and prevent oxidation.

Each Kangen Water<sup>®</sup> soft-gel capsule is individually packaged for easy use.

Soft gel (to prevent exposure to oxygen and moisture)

Product number: 4409603

## Flaxseed Oil

Flaxseed Oil is primarily composed of eisenbium acid, an omega-3 fatty acid commonly found in fish oil. It promotes healthy cardiovascular function and helps maintain cholesterol levels that are already within normal limits.<sup>†</sup>

## Evening Primrose Oil

It is an unsaturated fatty acid which contains more than 9% eisenbium acid. Studies indicate that it helps maintain cholesterol and blood sugar levels that are already within normal limits.<sup>†</sup>

## Tocotrienol

Tocotrienol is contained in rice and is a member of the vitamin E family. It is also called super vitamin E due to its antioxidative effect.<sup>†</sup>

## Beeswax • Glycerin Glycerin fatty acid ester

## Niacin

Niacin is an essential nutrient which helps maintain healthy skin and promotes healthy liver function.<sup>†</sup>

## Folic acid

An essential nutrient which supports numerous bodily functions including the production of healthy red blood cells.<sup>†</sup>

Daily recommended amount: 5 tablets a day

Brand name: KANGEN UKON<sup>Σ</sup>

Product: Dietary supplement containing turmeric

Ingredients: Wild turmeric powder, turmeric powder, olive oil, glycerin, perilla oil, flaxseed oil, tocotrienol, wild turmeric oil, evening primrose oil, glycerin fatty acid ester, beeswax, vitamin B1, vitamin E, niacin, vitamin B12, vitamin C, folic acid, vitamin B6, hydroxypropyl starch, carboxymethyl hydroxypropyl starch, hydroxypropyl starch, sodium chloride, maltodextrin

Serving per pack: 40g (serving of net weight) per tablet 400mg x 100 tablets

Storage instructions: Avoid exposing to moisture, heat and direct sunlight

Distributed by: EMAGIC USA, INC.

Manufactured by: EMAGIC FOODS CO., LTD. (Nishikawa Natural Materials Factory) Certified by FDA as a Food Manufacturing Facility Registration Number: 51416996666

## Supplement Facts

| Serving Size (5 capsules)  | Amount Per Serving | % Daily Value |
|----------------------------|--------------------|---------------|
| Vitamin C                  | 5mg                | 10%           |
| Vitamin E (as Tocotrienol) | 500mg              | 100%          |
| Turmeric (Curcumin)        | 5mg                | 100%          |
| Niacin (Vitamin B3)        | 5mg                | 100%          |
| Hydroxypropyl Starch (HPS) | 25mg               | 100%          |
| Niacin                     | 5mg                | 10%           |
| Folic Acid                 | 100mcg             | 20%           |
| Vitamin B12                | 50mcg              | 100%          |
| Turmeric (Curcumin)        | 400mg              | 100%          |
| Natural Turmeric Oil (NTO) | 10mg               | 100%          |
| Olive Oil                  | 10mg               | 100%          |
| Perilla Oil                | 50mg               | 100%          |
| Flaxseed Oil               | 10mg               | 100%          |
| Evening Primrose Oil       | 50mg               | 100%          |

Other Ingredients: Carboxymethyl Hydroxypropyl Starch, Hydroxypropyl Starch, Sodium Chloride, Maltodextrin

By signing and sending in this order, you sign up for the Ukon DD Autoship Program. The amount of 500 € (member/autoship price) will be debited from your credit card automatically every 4 months and the product shipped to your indicated address. If you pay via wire transfer, please send us a confirmation of a standing order arrangement for 500 € every 4 months. A one-time purchase of a Ukon product is not possible.

I certify that I have read, understood and agree to the Terms and Conditions set forth in the following documents which comprise the Contract, the Distributor Agreement, the Sales Contract, Policies and Procedures, Compensation Plan and the Products. I am of legal age in my state of residence. I agree that any false and misleading statements may result in the termination or denial of registration as an Enagic Europe distributor. I understand that the financial reward will come from sales of products and not by recruiting people. I, the sponsor, have explained to the applicant all relevant information which the applicant should know prior to signing up. In addition, as a selling distributor, I acknowledge that I have a good faith duty to assist Enagic Europe in causing the customer to honor their payment obligation. At the very least, I agree to contact the customer in person or by telephone no less than three times to request that the customer make payments as required in the customer contract.
